Subject: HAYS MISSION HOLLAND UPDATE 24/3/06

Sunday is an important day for our church plant as we will close off our faith-promise (fund) drive for the future Dutch pastor's salary. Please PRAY that our people respond in faith according to 2 Co 9:12 "For the ministry of this service is not only fully supplying the needs of the saints, but is also overflowing through many thanksgivings to God;"

Thank you for your prayers for our US trip. Peter preached 3 times, Margré taught Sunday School classes while Peter was preaching, we met together with many individuals and small groups, and got acquainted with new church members—all this to testify of what our great God is doing in Holland and to encourage the believers to continue to be committed to missions. We also got to see our daughters at Phila. Biblical University and rejoice that they are doing so well! God is good!

"In the Netherlands there are approximately seven thousand church buildings... According to experts, sixty to seventy churches per year are re-zoned [as stores, warehouses, apartment buildings, etc.] or are demolished... When Eastern Europeans hear that churches are being demolished in the Netherlands they exclaim, 'How is that possible? Only dictators do such things!'"
