

John & Kelly Kidd

October 2006

Dear Friends and Family,

Fall is finally here and it is one of our favorite seasons. The leaves turning colors, picking apples, and chopping firewood are all things that make it special. This year is a little different since we are now parents. We are definitely trying to figure out how to juggle the yard work and house projects while caring for Elizabeth, who is now 8 months old. She is doing great, and is now getting into everything as she is crawling and even wanting to walk.

Fall Retreat...

Last month we had a great time at our annual Fall Retreat. We took 85 UVA students to the Rockbridge Young Life camp for a weekend of fellowship, teaching, and fun. It was a refreshing weekend where we were able to continue to build relationships with our students.

Paintball with Fraternity Pledge Class...

We recently took some fraternity pledges out for a camping and paintball trip. We spent over 24 hours with the guys and had an awesome fireside conversation where each guy shared about his spiritual background, and where I was able to share my testimony with them!

Whitewater Rafting...

I (Kelly) got to go with our Lifelines students on an overnight camping and rafting trip. We rafted the Upper Gauley in West Virginia, which is ranked #2 in the country for its whitewater. It was definitely an adventure for a few of our students as it was their first time rafting. The trip really helped me get closer with the women, which was such a blessing since my time in ministry is now limited. I know it will be a trip that they will always remember.

Thanks for your support and prayers!

JOHN & Kelly

October Prayer Requests:

- Pray for our upcoming rock climbing trip with students that live on the 'lawn.' They are some of the more influential students on UVA's campus.
- Pray for a paintball outreach that we are doing for our church youth group.
- Pray for Kelly and I as we go on campus to share our faith and disciple students.
- Pray for John's safety as he travels to Vermont for a national Lifelines meeting.
- Pray for Elizabeth and her continued growth, health, and development.
